TESTIMONIAL

During my last school vacation (May to August, 2008), I had been working at DK Outsource Pte Ltd as a full-time temporary staff there. It was a very fruitful and meaningful experience. I have learnt a great deal about the construction industries' business, especially in the Quantity surveying sector. I was very impressed with the diligence and the dedication of the staffs there. They have been able to work professionally all the time and most importantly meeting the deadlines set by their clients' promptly. During my stay there, I have also made a lot of friends in the office, which shows that DK outsource has a warmth and friendly working environment among the staffs. On the whole, I strongly believe that the experiences I gained then would be very much useful for my future endeavors.

Thank you.

Yours sincerely,
