TESTIMONIAL

I joined DK Outsource in the month of March 2008 as an intern from BCA Academy and left in the early September 2008. During my time here, I have managed to learn a lot from the pleasant and outgoing staff who coached me not only on QS/taking-off duties but how to strive and succeed in a working environment as well. The team at DK Outsource is also reliable and hardworking, always bringing the best out of each other to make sure deadlines are well met. I have no doubt in recommending them to any client who is interested in their services in the future.

Thank you.

Yours sincerely,
