TESTIMONIAL

Having 6 weeks attachment in DK Outsource is a great experience. 6 weeks of attachment isn't long but each and every day I'm able to learn new things. In DK outsource I get to experience different kind of buildings like car-park, multipurpose building and upgrading of schools, which I did not had the chance to learn in my school.

During attachment period, I also had the opportunity to attend tender meeting with Mr. Dennis Kwok. This is a new experience which I was not able to see or experience it in class.

Apart gaining experience from the QS, I also have earn a bunch of good friends at DK Outsource, they shared their experience, food, laughter and also hard work. Despite having a date line to meet, they never fail to answer any enquires. Lastly, I would like to thank all the staffs in the DK and Mr. Dennis Kwok, which fill my attachment with sweet and memorable memories.

Yours Sincerely,

Pei Pei
