**Testimonial**

First of all, I would like to express my very great appreciation to DK Outsource Singapore Pte Ltd for offering me this precious opportunity to work as a Quantity Surveyor assistant. I have learnt many useful QS skills during the time I worked here and this job has definitely deepened my understanding of what I have learnt in my school. During these six weeks, I had involved in a few projects and this gave me a more realistic picture of what a QS actually does in the industry and have a better understanding about this job. And besides it, I also had the opportunity of becoming more aware of how an Outsource company like the DK is organized and managed. Even though it was only a very short period, I have taken efforts in all my work that I have done. However, it would not be possible without the kind support and help from my colleagues. I would like to extend my sincere thanks to all of them here.

Yours sincerely,

---
